Nominating Chair

This Chair would like to thank Loxie Kistler, CMA (AAMA) for putting together an e-blast that went to all on September 23, 2019. The e-blast asked members to consider volunteering to serve as a state officer, chairing a state committee or volunteering to serve as a member of a committee.

Questions were directed to myself and Local Chapter Presidents. This Chair received no feedback from any member.

This Chair is looking for help from the Chapter presidents in her quest to fill Officer and Chair positions.
