RE: Chapter Activities

Central Gulf Coast Chapter has educational activities every month. Meetings are preceded by an informal gathering at 5:30 and the meeting begins at 6:30. Attendance at each meeting varies, but the good new is new faces are joining our group.

Our fall half day seminar on November 3rd was a great success. Excellent attendance, wonderful speakers, everyone enjoyed themselves.

Christmas party this year was on December 1st everyone had a wonderful time. There was a Chinese gift exchange which made for a lot of laughs. (It may be possible Jim won't be invited back)

This year we are going to put our heads together and find a new and creative way to increase attendance and see the faces of the new medical assistants.

Our chapter goals are to continue education, member support and unity among its membership. We are all looking forward to another great year.
