Bylaws / Policies and Procedures

For those that do not know, the policies and procedures as well as the Bylaws are available on our web site. If you have any questions they are there for you to look at.

Having just returned from the AAMA Annual Conference in Portland, Oregon, I am pleased that no changes were made at the House of Delegates on by laws. There was one presented, but it was not passed but sent back for revue until next year.

That means that FSMA is current and up date for this current year with AAMA.

Thank you to my committee for always being there when needed.
