11:30-1 pm What is a Fibro Scan?

Speaker Tracy Balentine, RN, MS, CCRC

Chief Research Officer Florida Research Institute

Please check the FSMA website for chapter news and events at: Fsmaonline.org

Please keep checking the FSMA web site for chapter events. Fsmaonline.org go to chapter sections and click on South West.

This is a combined effort of the South West Chapter and the Mid Gulf Chapter to help reach chapter members who are unable to attend monthly meetings and closer to home for some of these members.

You will obtain 4 free CUE's for this seminar. You will receive a certificate of attendance if needed.

The meeting will be in the education room at the hospital. It is near the cafeteria. It is closer to Cattleman side of Bee Ridge.

A head count is needed so please respond if you are planning on attending. They need to be able to set up the room for us. They are giving this room to us free of charge for this time only. Depending on attendance this is subject to change. The usual charge is \$150.00 per hour, so please take advantage of this opportunity.

They will not provide beverages or food. The South West Chapter will bring some water.

Hope to see you there.
