Southwest Chapter Seminar

9:00 am-1:00 pm

CPR

Wendy Norman

Charlotte County EMS Paramedic

Do you know that AAMA no longer requires CPR to recertify? But do you feel confident that you could perform under pressure at work or yet on a loved one?

What are the changes to CPR? Come and learn infant, child and adult CPR. You could save a live one day.

Most offices require you are up to date but do not provide the means for you to stay current.

Keeping current looks good on a resume and to your current employer.

Reason for increased fee is the hospital will only allow for hospital employees and we must pay the instructor.

Please check the FSMA website for chapter news and events at: Fsmaonline.org

Please keep checking the FSMA web site for chapter events. Fsmaonline.org go to chapter sections and click on Southwest.

PLEASE JOIN US FOR AN EXCITING SEMINAR

The objectives of this seminar is to provide key points of education allowing the Medical Assistant, Health Professionals and other office/clinical personnel to become more knowledgeable in order to provide better patient care.

This seminar is open to anyone interested in updating their education or in the topics to be discussed.

Four hours of Continuing Education units are pending approval by the American Association of Medical Assistants (AAMA). Certificates of attendance are given to all attendees.
