**Please check the FSMA website for chapter news and events at:
Fsmaonline.org**

Please keep checking the FSMA web site for chapter events. Fsmaonline.org go to chapter sections and click on Southwest.

At the recent chapter board meeting it was voted on how to use the funds that the chapter has on hand. One way was to help actively attending members attend FSMA meetings.

For the FSMA November 5, 2017 meeting the chapter will be paying for the actively attending member's registration and 1 night of the hotel for 4 members to a room. Members staying both nights would be responsible for the second night.

For the FSMA State Convention in May of 2018 members attending the three scheduled seminars will have a chance to attend the conference just by attending. Each member will have a chance to be chosen to attend. At the February Board meeting it will be decided on how much we will spend out of our budget. If you attend the FSMA Sate Conference you must attend the General Assembly in order to get any amount of money towards the conference. Each attending member has the right to vote on state officers and issues that need to be voted on at the time of the General Assembly.

Looking forward to be able to help members attend a state meeting and grow within themselves, the chapter and state level.
